### DAYS 3 to 5 BANDHAVGARH NATIONAL PARK

To reach Bandhavgarh you'll fly to Jabalpur and then onwards by road to Bandhavgarh

#### Bandhavgarh Highlights

- Tigers
- Sloth bears
- Langur monkeys
- Bandhavgarh Fort (optional extra)

**Bandhavgarh National Park** was once a Shikargah, or game preserve, of the Maharaja but became a national park in 1968. Bandhavgarh boasts one of the highest densities of Bengal Tigers. There are in the region of 50 tigers here and the chances of finding one are good.

Set amongst The Vindhya Hills in Madhya Pradesh, Bandhavgarh is one of India's smallest National Parks but it's teeming with wildlife. There are at least 150 species of birds in the park, along with other mammals such as sloth bear, langur monkeys, wild boar, mongoose and chital, sambar and barking deer.

Wildlife isn't the only draw to this park, the Bandhavgarh Fort, offers breath taking views, a 35 ft reclining statue of Lord Vishnu and the 10th century rock images of the incarnation of the Lord Vishnu. Legend has it that this fort was made by Lord Rama for his younger brother Laxman.

Each day enjoy misty mornings and the sound of birds as you get ready for your dawn jungle safari and a picnic breakfast amongst the wildlife. In the winter months morning safaris require warm clothes. We provide blankets and sometimes even a hot water bottle to help keep the wind chill at bay. An optional tour to the fort is available.

**Kanha National Park** is considered one of the finest protected wildlife areas in the world designed to save two endangered species, tiger and barasingha, but don't let that take away from the other 40+ species of mammals found in the park that will make this an unforgettable experience. Expect to see leopard and wild dog alongside tigers, gaur and chital, porcupine and mongoose and let's not forget the scavengers like hyena and jackal. With all this fantastic wildlife to see you'll never want to leave.
